

Brandon Wirz

WEB DESIGNER/DEVELOPER

+ ABOUT ME

Highly accomplished Web Designer/Developer with more than 8 years experience. Expertise in all facets of visual design, responsive design and development. Instrumental in streamlining and improving processes, enhancing productivity, implementing technology and design and development solutions. Technical proficiency in web development, graphic design, responsive design, art direction, branding, video editing, wireframing and social media. Ability to learn new software quickly. In January I graduated from V School Full Stack JavaScript Web Development Bootcamp.

Curriculum: JavaScript ES6, Node.js, express, mocha, Ajax, jQuery, JSON, React, Redux, CRUD, working with API's/Postman, HTML5, CSS, Responsive Web Design, Bootstrap and using Atom.
